MEMO ENDORSED

Re: Rosario et al v. 2022 Eastchester LLC et al
Docket No.: 20-cv-09182 (SHS)

Dear Judge Stein,

I represent Plaintiffs in the above-referenced case. For the reasons that follow, I am forced to seek a second extension of time from Friday, August 18, 2023 to Friday, August 25, 2023 to file a motion for default judgment. This is a second request, the first one having been granted for good cause. There is no prejudice to any party.

I learned last night from Mr. Camara via email that he could not keep his appointment with me today because he learned that his brother had died. I telephoned him last night and this morning but to no avail. Having gone through similar experiences twice recently, I fully empathize with my client and understand his desire completely to tune out so as to deal with the loss in solitude. I believe that I will be able to meet with Mr. Camara next week and will be able to finalize the motion papers by next Friday, August 25, 2023.

For the foregoing reasons, Plaintiffs request an extension of time to file a motion for default against the defaulting defendants until Friday, August 25, 2023.

Respectfully submitted,

/s/Robert Wisniewski
